

Как определить stepik-id

The screenshot shows a web browser window with the Stepik.org website. The address bar displays the URL <https://stepik.org/users/38675>. The page header includes navigation links like 'Courses', 'Lessons', and 'Create a lesson', along with a search bar and a user profile dropdown for 'Кирилл (6633)'. The main content area shows the profile of 'Кирилл Кринкин' with a profile picture, a 'Settings' button, and a 'Create a course' button. Below the profile picture, there are statistics: 'Knowledge' (16) and 'Reputation' (165). The 'Profile' tab is selected, showing a calendar of activity from November to September. The 'User ID: 38675' is displayed, and a red arrow points to it. Social media links for Facebook and GitHub are also visible.
